The determination of William F. Sheehan to stick in the Senatorial set of in the excavation for race, as announced to Gov. Dix and others who have been trying to go him to withdraw, brought about a conference of party leaders which is to be held to-night at the Executive Mansion in Albany. Mayor Gaynor and his wife left for Albany at 12.40 o'clock this afternoon and will be the guests of the Governor and Mrs. Dix until to-morrow.

Despatches from Albany say that Charles F. Murphy had been invited to attend the conference, but had missed the noon train and would not asrive in Albany until this evening. Apparently there has been some kind of mix-up betwen Albany and Mr. Murphy, because when it was learned that Mayor Gaynor had gone to Albany Mr. Murphy was supposed to be at Good Ground, L.
